Spring arrives on Moraga Way

By Vera Kochan

Photo Vera Kochan

If there are daffodils, it must be nearly springtime. Once again Moraga Valley Kiwanis members and their families took to the scenic corridors of town to plant 1,350 bulbs along Moraga Way near the Moraga Country Club (pictured). They had additional help from members of the Moraga Garden Club in the planting of 150 daffodil bulbs around the Moraga Library sign along St. Mary's Road.
