Free Rotary concert at Reservoir, Aug. 6

By Jennifer Wake

In an effort to say "thank you" to the hundreds of volunteers who are working with the hungry and homeless in Contra Costa County, the Rotary Club of Lafayette is planning a special free concert on Aug. 6 at the Lafayette Reservoir's Rotary Stage. The concert, which is a way to recognize the time, the hard work, and the money that has been raised by volunteers to help the programs that create a safety net for the hungry and homeless in the East Bay, will begin at 4 p.m. with a warm-up act, followed by a 90-minute concert featuring the Big Band of Rossmoor. Audience members are encouraged to bring a picnic, a blanket, and enjoy the music. Visit www.lafayetterotary.com and order free tickets.
