White Pony Express is expanding to meet the growing need for healthy food in our communities. Hunger is on the rise due to inflation and supply chain disruptions and fresh, nutritious food is out of reach for many in the community. WPE needs volunteers willing to drive to help meet this need. This can happen in a personal vehicle or in one of its fleet vehicles. ♦If you have a little time to spare and a good driving record, we would love to welcome you to our team of food rescue heroes,♦ said Steve Spraitzar at White Pony Express. ♦Together, we can end hunger in our county and beyond!♦ Contact Mandy and Ana at [volunteer@whiteponyexpress.org](mailto:volunteer@whiteponyexpress.org) for more information.
