By Jennifer Wake

The Great ShakeOut will take place throughout California at 10:20 a.m. on Oct. 20. This will be an opportunity for everyone to practice their earthquake preparedness skills by ducking, covering and hanging on. The Lamorinda Great ShakeOut drill - conducted by the Lamorinda Community Emergency Response Team (CERT), Moraga-Orinda Fire District, Town of Moraga, City of Orinda, and Lamorinda Area Radio Interest Group (LARIG) - will be held simultaneously to test of emergency communications.

Check out the CA Great ShakeOut website for more information at www.shakeout.org/california and encourage your neighbors to take the next?Lamorinda CERT class series beginning in January on Thursday nights in Lafayette. For class information visit www.lamorindacert.org.
